

2012 Membership Promotion

The Avondale Board of Directors has voted to approve 30 promotional memberships to be made available to the public during the months of December and January. Last year we ran the same promotion and the 30 memberships sold out in less than a month.

WE ARE CURRENTLY TAKING NAMES OF PEOPLE WHO ARE COMMITTING TO THIS PROMOTION.

We expect to sell all available promotional memberships very quickly. Please contact Mark Heckel to get your name on a list which is forming now!

Guidelines:

The only thing required to pay are the monthly dues which are required of all members. All Promotional Members are required to commit to 3 years of monthly payments. On the anniversary of their third year of being a Promotional Member they will be awarded a share of stock and will receive voting privileges.
